**RENEWED PETITION TO WITHDRAW THE HOLDING OF ABANDONMENT
UNDER 37 CFR 1.181**

United States Patent and Trademark Office

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

In response to the Decision on Petition to Withdraw the Holding of Abandonment, mailed 04/27/04,
I have included in this response the following:

1. Request to revive because the PTO erred.
2. Certificate of faxing.
3. Faxed to (703) 308-6916

Very respectfully,

Thomas C. Thompson

RESPONSE

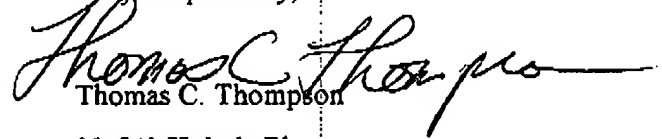

The applicant respectfully requests that application 09/396,128 be immediately revived because the Patent Office erred.

In examiner's Tran's Office Action mailed 06/26/02, the examiner canceled claims 1-19 and renumbered the new claims as 20-39, under Rule 126.

On the applicant's response, mailed 10/26/02, the applicant requests renumbering of the claims on the cover page and on page 1. The examiner's rejections were answered on the applicant's amended claims. The applicant's clean copy of the claims (pages 15-18) were independent claims.

Therefore, the Patent Office erred in requesting \$114 for excess fees, and the Patent Office erred in abandoning the application. The applicant's 10/26/02 response should have been entered. Since the applicant is pro se, and the Patent Office erred, the applicant respectfully requests that the Office of the Director revive the application without delay and without any fees due.

Very Respectfully,

Thomas C. Thompson
